

# Zinger Baseball Performance Center and Zinger Prospects Baseball Club

## Fall 2024 Information

To prospective players and parents,

We just completed our first full Summer training program in our North Scottsdale facility and to say we saw great results would be an understatement! Strength and metrics for every player in the program increased over the 13 weeks and we had average Exit Velo increases of 7.7MPH and throwing velocity average increases of 4.4MPH. (Full results for the Summer will be listed in a separate document on the website). Many players far exceeded those averages and have taken great strides forward in their baseball careers. Our teams had some success, with our 17U team falling just short of winning the 18U Connie Mack Regional in California (5 outs away). They followed that up by winning the Prospect National 18U Qualifier the following weekend – earning a berth in the West Coast Fall Invitational at the end of September. The 16U group competed extremely well all Summer and earned an at-large invite for the same West Coast Invitational by reaching the Championship game in both of the PN events.

### **Our Fall Program will be broken into TWO DIFFERENT parts – TRAINING and/or TEAM PLAY.**

This is just like we did in the Summer. With different high schools requiring much different commitments during the Fall, we are trying to be as flexible as possible so all of our players can continue to train and play with us in some capacity to keep the development moving forward. Depending on individual workloads, some players may want to focus more on training than gameplay and our open team structure should help everyone be able to do what is best for their personal development.

### **Fall Training Groups:**

The entire Fall program will last 18 weeks (Aug 19<sup>th</sup> – December 19<sup>th</sup>)

Underclass players (2026-2028) will be assigned to an evening hitting group for 1 hour. These spots will be assigned in order of deposits being received.

Hitting groups will be each hour starting at 6:00 and ending at 10:00 – 4 groups per night. Our **standard program will include 2 nights per week of hitting and 4 nights per week of workouts.** (You do have the option to increase the hitting portion to 4 days per week as well).

Training and hitting groups in the evenings will run Monday – Thursday, with the 2-day hitting option being split into a Mon/Wed option or a Tues/Thurs option.

**Full Standard Program cost is \$1,700. (108 Hours total / \$16hr)**

*(16 Weeks paid + 2 Free Weeks)*

**HALF Standard Program cost is \$1,000 (54 Hours total / \$19hr)**

*(8 Weeks paid + 1 Free Week)*

Each player in the Training Program will be trained in our indoor Hitting and Pitching facility for 1 hour – either 2 Days or 4 days per week - and will participate in a lifting and speed/agility Program in the 11,000 Sq Foot gym adjacent to our facility for an additional hour 4 days per week (M-Th). All training will always be facilitated by 3-4 coaches on site. Players will be assigned to a small group of 12 or less for facility training (hitting). Kevin Bay, Owner of Hybrid Baseball, is the full-time director of the Strength Program. He trains baseball players, and his program focuses specifically on movements that are related to the game. He brings with him an impressive resume of MLB and MiLB players that he has as clients, as well as countless high school and college players.

We have options for only hitting, only lifting, shorter program duration, etc. See Full Pricing Breakdown for more info.

### **SENIORS / HOME SCHOOL OPTION:**

For Seniors that have early release or select home-school players, we will have a group training program from 12:00 – 3:00 five days a week (M-F). Pricing will be the similar to our standard full package pricing.

### **ZINGER PROSPECTS (Teams)**

We will be participating in events at the 15U, 16U, 17U and 18U levels for the Fall. Some of the premiere events include:

- AZ Fall Classics
- PG Fall National Championships by G-From (16U / 18U)
- Prospect National West Coast Fall Invitational (16U / 18U)

Other events in PG, Prospect Wire, PBR, Baseball Showcase, etc. will round out the schedules. The full schedule will be released soon on the website.

This will not be a typical Travel Team structure. All players will be available to participate in any event in any age group they qualify for. We will assign rosters for each event based on the availability from you fill out. All players in the Program will have the same uniforms and can move up or down between teams. We will have very few repeating numbers to make this possible.

Costs for Events will be split evenly between players on the roster for that weekend. A pitcher only will count as ½ of a player share for this calculation. This a la carte pricing we believe offers greater flexibility for families. Costs will be between \$150 and \$250 per player for individual events. We will also have at least one Zinger Showcase option that will be a 1-Day full Pro Workout and assessment, along with a showcase game. We are looking to bring out college coaches for recruitment opportunities in a small group setting. Pricing is TBD based on field we can secure and cost of bringing in the coaches (estimate is around \$300 per player).

If you would like to play on the team but not participate in training with us at all there will be a flat \$250 Team Admin Fee to be included on the weekend rosters. You must be approved by us to participate in events without participating in our training platform.

**UNIFORM / GEAR PACKAGE: \$300 (High School Teams – NEW PLAYERS)**

Includes (2) Jerseys, (1) Numbered BP Top, Hat, and Custom Maple Bat

***Returning players will have NO UNIFORM FEE for the Fall (Uniforms are the same)***

**HOW DO I GET INVOLVED – NEXT STEPS:**

All of the information is live on the Zingerbats.com website. Look under the Zinger Prospect drop down and Information & Forms (<https://www.zingerbats.com/information.aspx>) There is a link to a Google Questionnaire for you to fill out. We will be taking \$500 deposits to secure your spot and assign your daily training times. You will receive Square invoices for all payments due. We will split your program dues into 3 payments for the full program (deposit then every 30 days). If you need a uniform you will receive a separate invoice for that.

**FINAL THOUGHTS:**

This program is meant to be intense. It is for players that want to dig in and really put in the work this Fall to get better. Think of it as a Baseball Academy more than a Travel Team or Training facility. There will be no “attendance” taken and we will not have any issue if you miss workouts or training. You know your body and some days you will need to take a day off. That is OK. We will be here to push you as much as you want to push yourself.

Thanks for reading. I think spelling things out as much as possible helps things to not get lost in translation or misinterpreted. If you have any other questions, please email me and we can set up a call to go over anything you would like.
